

Regarding The Login Credentials You Use To Sign Up For Various Social Media Sites

All the logins details that you will use to sign up for various social media platforms to use the software are all held on an encrypted server. They are hashed in our secure server.

Our Company's Commitment to Data Security: Services and Web sites we sponsor have security measures in place to protect the loss, misuse, and alteration of the information under our control. While we make every effort to ensure the integrity and security of our network and systems, we cannot guarantee that our security measures will prevent third - party "hackers" from illegally obtaining this information.

Where to Direct Questions About Our Privacy Policy: If you have any questions about this Privacy Policy or the practices described herein, you may contact us through the contact information provided on this Web site.
